

USER STORIES

User Stories Donor

1. As a donor, I would like to be able to offer transport to refugees that need to go from one location to another.
2. As a donor, I would like to be able to offer food, blankets, personal hygiene products, toys or any other goods which may be needed to refugees.
3. As a donor, I would like to be able to offer accommodation to refugees that need it.
4. As a donor, I would like to be able to publish my offers.
5. As a donor, I would like to be able to keep track of how many goods or services I can offer. For example, if I can offer accommodation for only ten people at once, I want to specify that.
6. As a donor, I would like to be able to accept requests for different goods or services from refugees.
7. As a donor, I would like to be able to establish a meeting location with the refugees whose request I accept.
8. As a donor, I would like to be able to see relevant data about the refugees I encounter (name, phone, country).
9. As a donor, I would like to be able to set up a profile, consisting of email, phone number, name and address.
10. As a donor, I would like to be notified when I receive a request for an offer that I posted.
11. As a donor, I would like and automatic system of managing the capacity of my offers.

User Stories Refugee

1. As a refugee, I would like to be able to ask for transport from one location to another.

2. As a refugee, I would like to be able to ask for food, blankets, personal hygiene products, toys or any other goods which may be needed.
3. As a refugee, I would like to be able to ask for accommodation.
4. As a refugee, I would like to be able to see a history of the interactions I have with donors.
5. As a refugee, I would like to be able to keep track of my requests.
6. As a refugee, I would like to be able to make requests for different goods or services.
7. As a refugee, I would like to be able to establish a meeting location with the donors that are willing to help me.
8. As a refugee, I would like to be able to see relevant data about the donors I encounter (name, phone, country).
9. As a refugee, I would like to be able to set up a profile, consisting of email, phone number, name and address.
10. As a refugee, I would like to be notified when a donor accepts one of my requests.
